

BRASABANA BRUNCH BENEFIT FOR PUERTO RICO

In the wake of Hurricane Maria, the staff at Brasabana has decided to come together to show love in the way that we know brings us closer, through food. Please consider coming to our Benefit Brunch on Saturday, October 21st. Through the help of our purveyors and friends, we will be able to donate \$10 per person to help our citizens in need. These islands are in chaos, and need your support to restore essential functions and ministries, so they can help meet basic human needs and eventually rebuild these communities. The funds raised through our effort will be matched dollar for dollar by the Catholic Extension organization.

*Saturday, October 21st 2017 @ 11:00 am to 2 pm. \$25 per person
for buffet (\$10 of which will be donated)*
